WORK CONTINUES ON I-10 AND I-215 IN SAN BERNARDINO

San Bernardino– Caltrans continues the \$11.5 million project to install a fiber communications network on I-10 and I-215. Lane and ramp closures will occur in the San Bernardino and Grand Terrace area. The work in the chart below will begin Monday, March 3, 2008 and continue through April 1, 2008. This commuter alert will be updated if any changes occur.

LOCATION	DATE	TIME	CLOSURE
Northbound I-215 between Mt. Vernon and Iowa Ave.	Monday through Thursday	9 PM to 6 AM	Number 3 lane closure and alternating ramp closures
Southbound I-215 between Mt. Vernon and Iowa Ave.	Monday through Thursday	10 PM to 5 AM	Number 3 lane and alternating ramp closures

Anticipate the lane closures. Develop an alternate route in case a ramp closure is in effect. Consecutive ramps will not be closed at the same time. Signs will be posted to advise and direct motorists. As delays are anticipated, please allow extra time for your commute or consider using an alternate route.

Caltrans would like to thank motorists for their patience and support as we work to improve your roads. To avoid rear end collisions merge early and allow distance between you and the car in front of you. Caltrans asks that all advisory signs be obeyed and that you **SLOW FOR THE CONE ZONE**.
